Youth support services

What is different about students aged 13+

Once our students reach the age of 13, we also pass student information to our local authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996.

The National Student Database (NPD)

The NPD is owned and managed by the Department for Education and contains information about students in schools in England.
