Finger plus first finger.

Am

Chord of Am – Middle
finger

G

Chord of G - Step 1 –
First finger

Chord of G - Step 2 –
Add your middle finger

Chord of G - Step 3 – Then
add your Forth finger

Key Words:

Strumming Pattern – The movement of your right hand (right handed guitarist) when strumming the strings. This would usually be in an 'Up Down' motion.

Chords – 2 or more notes (strings) played at the same time. When playing chords on the guitar you will most likely strum all or the majority of the strings, holding the chord shape with your left hand.

Pick/Plectrum – A small piece of plastic used to strum or pick the strings.

Chord Chart – A visual representation of the finger position for each chord on the neck of the guitar.

Dexterity – Your ability to move quickly between finger positions/chords.

Intonation – How clearly you deliver your music part. Pressing firmly on the fretboard ensuring your notes are clearly performed.

Resilience – Continuing to practice and develop, recovering quickly from difficulties.

"Shotgun"

Home grown alligator, see you later
Gotta hit the road, gotta hit the
road
Something changed in the
atmosphere, architecture unfamiliar
I could get used to this

Time flies by in the yellow and
green
Stick around and you'll see what I
mean
There's a mountain top that I'm
dreaming of
If you need me, you know where I'll
be

I'll be riding shotgun underneath
the hot sun
Feeling like a someone
I'll be riding shotgun underneath
the hot sun
Feeling like a someone

Well, South of the Equator,
navigator
Gotta hit the road, gotta hit the
road
And deep sea diving round the
clock, bikini bottoms, lager tops
I could get used to this

Time flies by in the yellow and
green
Stick around and you'll see what I
mean
There's a mountain top that I'm
dreaming of

If you need me, you know where I'll
be

I'll be riding shotgun underneath
the hot sun
Feeling like a someone
I'll be riding shotgun underneath
the hot sun
Feeling like a someone

We got two in the front, two in the
back
Sailing along and we don't look back
(Back, back, back-back-back, back-
back-back)

Time flies by in the yellow and
green
Stick around and you'll see what I
mean
There's a mountain top that I'm
dreaming of
If you need me, you know where I'll
be

I'll be riding shotgun underneath
the hot sun
Feeling like a someone
I'll be riding shotgun underneath
the hot sun
Feeling like a someone

I'll be riding shotgun underneath
the hot sun
Feeling like a someone
I'll be riding shotgun underneath
the hot sun
Feeling like a someone, a someone,
a someone, a some...
